WHAT IS A DISPARITY STUDY?

The Commonwealth has hired **BBC Research & Consulting** to conduct a **disparity study** to assess whether any barriers exist for minority- and woman-owned businesses that make it more difficult for them to compete for Commonwealth contracts. The disparity study will:

- *Measure participation of minority- and woman-owned businesses in Commonwealth contracting*
- *Measure availability of minority- and woman-owned businesses for Commonwealth contracting*
- *Assess marketplace conditions for minority- and woman-owned businesses*
